Payroll Standard Reports

With SouthWare's Payroll you get a sophisticated and flexible system for payroll processing, tracking, and reporting. You benefit from an "exception" design that lets you set up all recurring information for an employee so you only have to enter exceptional or one-time information with each payroll. You get the flexibility to handle the many special earnings and deduction situations your employees have. And your governmental reporting information is ready when you need it.

# **FEATURES & FUNCTIONALITY**
